The Beauty of Seychelles

E-Book June 2021

Introduction:

The MCB Rupys Art Splash Competition is the first online art contest for young artists up to the age of 17 years old, launched on the occasion of the Children's Day. The theme of the competition is 'The Beauty of Seychelles', a fitting subject for the June 2021 National Day celebrations.

Through this Competition, MCB has brought our young artists' skills into the limelight while encouraging them to appreciate and showcase the richness of Seychelles' biodiversity or cultural heritage.

The popularity of the art submissions on the MCB Seychelles Facebook page has prompted us to compile this album, a celebration of the talents of the Top 10 artists in the two categories of the competition.

We are pleased to invite you to enjoy this wonderful journey of youthful creativity and imagination.
